SUMMARY

I am an undergraduate and a passionate Full-Stack Developer with experience in building modern web applications using the MERN stack (MongoDB, Express.js, React, and Node.js). I enjoy turning ideas into functional, user-friendly solutions while continuously expanding my technical skills. I am eager to contribute to innovative projects, solve real-world problems, and grow as a software developer in a collaborative environment.

EDUCATION

Bachelor of (Hons) Information and Communication Technology 2023 – Present | Vavuniya, Sri Lanka
University of Vavuniya

Diploma in multimedia, Esoft Metro Collage 2021 – 2022 | Avissawella, Sri Lanka

TECHNICAL SKILLS

Frontend Development

Express.js, React.js

Backend Developer

Node.js, Python/Django

Data Base

MongoDB, MySQL

Design & Tools

Figma, GitHub, Docker, Postman

Graphic Design

Adobe PhotoShop, Adobe Illustrator, Adobe After Effects

PROFESSIONAL EXPERIENCE

Lab assistant, ESOFT Metro College

Avissawella, Sri Lanka

- Worked as a Lab assistant of Esoft Metro College.

CERTIFICATES

- Python projects for beginners - 2025 🔗
- UI/UX for beginners - 2025 🔗

PROJECTS

AGRO-Agricultural Management System 🔗

A comprehensive agricultural help and management system with crop data handling, farmer support features, and database-driven record management. Built using C++ for core logic and SQL for reliable data storage and operations.

BCal-Binance Calculator 🔗

A Binance calculator application with real-time price calculations, intuitive mobile interface, and responsive performance. Built using React Native with Expo Go for cross-platform deployment and efficient user experience.

Mouse Pointer Interactive web design 🔗

A mouse pointer interactive design with smooth hover effects, custom cursor animations, and engaging visual interactions. Built using HTML and CSS to enhance user experience and modern interface behavior.

English learning App UI Design 🔗

An English learning app UI/UX design with intuitive navigation, learner-focused layouts, and engaging visual elements. Built using Figma to enhance usability, accessibility, and an enjoyable learning experience.
